

Dotts Group LLC is a Veterans Administration verified Service-Disabled Veteran Owned Small Business (SDVOSB).

WHO WE ARE

We maintain current System for Award Management (SAM), U.S. Federal Contractor Registrations under the Simplified Acquisition Program and are a Verified Vendor of USFRC. Dotts Group performs Cost-Reimbursable as well as Time & Material and other contracts for the U.S. Government, and has extensive contractor experience across the spectrum of government operations, supporting agencies such as Department of Defense (DoD), Department of State (DoS) and the United Nations (UN).

WHAT WE DO

Dotts Group supports global initiatives that enhance security and improve lives for people around the world.

AFRICA CAPABILITIES

CURRENT CORPS COMPETENCIES:

CAPACITY BUILDING

With exceptional contract performance ratings in capacity-building and stabilization, critical infrastructure, peacekeeping operations, integrated security solutions, test and training ranges, training solutions and more, our business team delivers our portfolio of services to support our clients demands globally.

CAPTURE MANAGEMENT

Our staff excels in Capture (Opportunity) Management through our disciplined approach to qualifying your business opportunities and developing a qualified "win strategy" to improve your company's probability of winning a strategic opportunity.

PROCUREMENT & SOURCING

We provide quality procurement & sourcing for our clients on a global scale. In concert with our skilled and vetted suppliers, we locate and supply all the materials you need in support of your contracts or in-house requirements.

INTERNATIONAL AID & DEVELOPMENT

We provide logistics, training, operations support and mentoring for international assistance and development response projects supporting the U.S. Government, the United Nations, non-governmental organizations and companies.

RISK MANAGEMENT

Our Security Risk Assessments (SRAs) enable organizations to identify known threats within their operating environment and ascertain how they may affect the safety and security of staff, resources, and program beneficiaries.

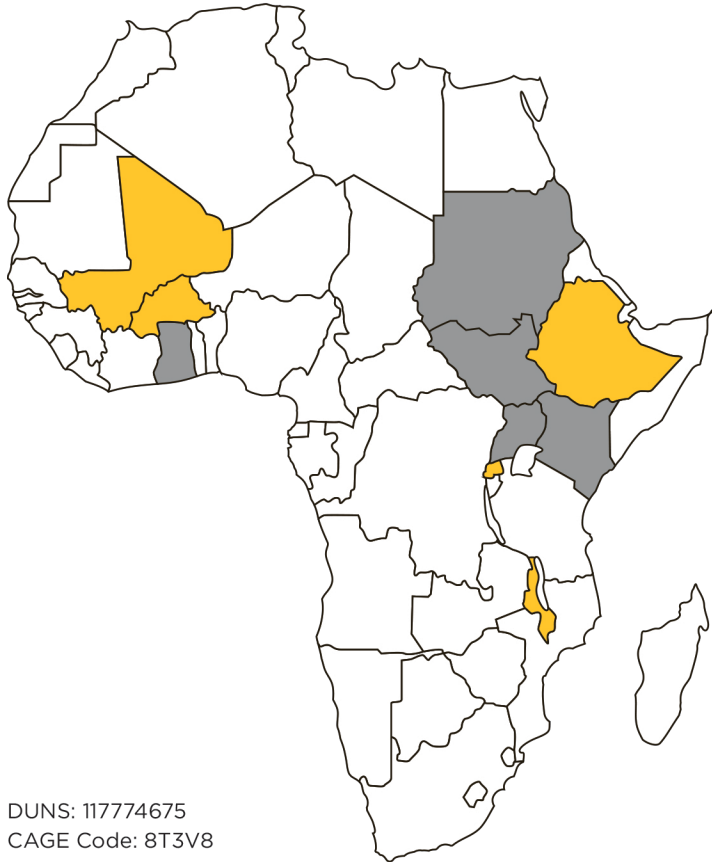

SECURITY ASSISTANCE & TRAINING

We offer a broad spectrum of training and capacity development services to government, military, and commercial customers around the globe.

MISSION

Guiding companies through the process of strategic change and growth. We specialize in, and support, strategic and tactical corporate responses to challenges and opportunities posed by globalization, technology and competition.
